Re: **Stein v. Boockvar, Civil Action No. 16-6287(PD)**

Dear Judge Diamond:

I write in response to Mr. Maazel's letter of today's date, which asks the Court to strike the proposed findings of fact of amicus curiae Election Systems & Software ("ES&S").

As the Court is aware, an ES&S employee, Dean Baumert, gave detailed testimony regarding the technical details of the ExpressVote XL, as well as a demonstration of the machine. ES&S's proposed findings of fact are a helpful summary of that testimony, which ES&S is uniquely qualified to provide. Respondents respectfully submit that the Court should not strike the ES&S proposed findings, but should give them whatever consideration the Court believes appropriate.

Respectfully,

A handwritten signature in black ink, appearing to read "Mark Aronchick".
